Who we are:

IND was organized in 1972 by young activists from Carroll Gardens seeking to improve our neighborhoods and to end the war in Vietnam. IND continues to be committed to improving our Brooklyn communities and to reforming the Democratic Party.

Your dues help support the important work of IND, translating civic activity into positive political activity; electing Democratic candidates who are responsive to the needs of the community, have ability and integrity. Your dues also entitle you to vote in club elections and the club's endorsement of candidates for elective office.
